

THANK YOU FOR YOUR CONTINUED SUPPORT!

Blauvelt Inc. is and has been a family owned business for three generations and is now proudly owned and operated by Scott and Jamie Robinson. Our story began in 1945 when Jamie's grandfather, Darrell, took a chance and began a small grocery with a **FRESH MEAT** counter simply named Darrell's Market. Darrell's son Jim Blauvelt took over operations in the mid-1950's. While keeping the tradition of **FRESH MEATS**, he guided the company through considerable changes and growth by developing Darrell's Hardware. Now in the third generation our company's expansion continues with the addition of Bestsellers Books and Coffee Co. and The Vault Delicatessen, to our portfolio. As we further our growth we strive to provide the same level of quality goods and exceptional service that our predecessors so often stressed! Visit us online at
